

BIG Blanket Installation Instructions

Parts list

2 ropes

Plastic attachments

BIG Blanket

Step 1 Two ropes are provided with each BIG Blanket. Start by tying a rope to the hooks in each of the back corners of the container.

Step 2 Pass each rope through the hooks on the container ceiling bringing each rope to the front corners of the container.

Step 3 Tie the ropes to the hooks located at the front of the container.

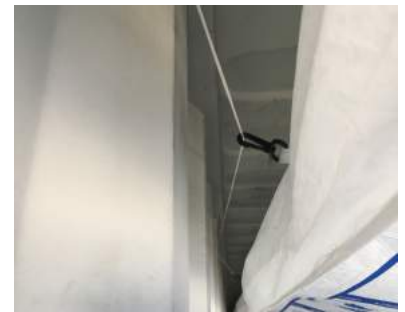

Step 4 Unfold the blanket inside the container. Do this with the printed side facing down and the non-printed side facing towards the ceiling.

When unfolding make sure the bungee cords that are attached to the BIG Blanket are located in the front part of the container.

Step 5 Using the plastic attachments connect the BIG Blanket to the ropes that have been thread through the ceiling hooks.

Step 6 Finally secure the blanket in place by firmly tying the bungee cords to the front hooks
